Part I: The 10 Seeded Resistance Mole Quests

These 10 cards are placed into the passport booklets of 10 selected guests at door check-in. To everyone else, they appear as standard citizen quests.

> **Resistance Rule of Engagement:**
> Membership in the Resistance spreads solely via **The Ankle Stamp**. Once you locate an operative in Thijs's Room, they will stamp your ankle. You are then empowered to carry a duplicate stamp and recruit other trustworthy guests.
